Re: Contract No. W-7405 eng-276

Attention: Mr. E. J. Harshaw

Gentlemen:

Reference is made to letter from your office dated 22 February 1945 requesting certain information to be included in a registration statement to be filed with the Securities and Exchange Commission as required by the Securities Act of 1933.

At the time the subject contract was entered into between your company and the Government, it was classified as Secret, this office having administratively determined that the subject of such contract relates to and affects the national defense and that disclosure thereof would be contrary to the public interest.

Accordingly, while this office has no objection to a disclosure of the amount of money involved in connection with such contract, there can be no disclosure of any of the following features of the contract:

- (1) Quantity of equipment or materials to be constructed or supplied.
- (2) Designations of type, descriptions, specifications, deliveries, tests, or guarantees of performance with respect to such equipment or materials.
- (3) Nature and extent of experimental facilities, services or information to be furnished.

Very truly yours,

CC: Lt. Col. C. Vanden Bulck ✓

W. E. KELLEY,
Major, Corps of Engineers,
Area Engineer.
